

Rules and Regulations for Internal Hackathon conducted by Trident for Smart India Hackathon 2022

All the participants are required to follow the rules and regulations specified below:

- All are requested to come wearing mask and carry with them sanitizer and water bottle.
- The Hackathon timing is 9a.m. to 5p.m. o all should report on or before 8a.m.
- After 8.30a.m., anybody will report and if you are unable to find out any pace for competition then we will not be responsible for that. Therefore, all should register before 8.30a.m.
- All the participants should come with their own laptop, power extension board and internet facility. College will only provide seating place.
- Teams are advised to have the same dress code (Not Mandatory).
