INTRO TO ALUMNI

Want to do big things in the world of tech and finance?
We can give you the chance you've been looking for.

The Wiley-mthree Alumni programme is a career acceleration programme for ambitious graduates who want to achieve more in their careers.

How does it work?

Stage 1: Register for the program

Stage 2: Clear the first round of aptitude & Coding assessment

Stage 3: Clear HR & Technical interview

Stage 4: Clear final video interview round

Stage 5: Get selected to join a 1-month foundational training program

Stage 6: Clear an end of training assessment, and based on performance, move to training level 2 – job role-based training

Stage 7: Complete post training interview and get selected for your 24-month placement in a job role that most suits your competence. Based on your performance, you will receive an appraisal and promotion every 6 months

Stage 8: At the end of the 24-month period and based on your performance, you will be given an opportunity to convert to a full-time employee with the organization.

Note – There is no commercial involved in the complete process

Getting the opportunity with Wiley had been very interesting and an amazing experience on an overall.-
Anjali

Wiley is a life changer for me. Wiley takes you in with fair assessment and not with prejudices, casts you , grinds you and creates the best version of you so that you are ready and prepared to achieve your dream job.-**Ashutosh**

It is really great that Wiley is providing excellent opportunities to candidates even in these uncertain times where IT industry is firing so many employees. I feel elated for being a part of Wiley.-
Bhavana

Being with Wiley gave me an opportunity to work with one of the biggest global firm and to learn and grow while working with the great minds from all over the world-**Kanishk**

The experience with Wiley was so good. I had been given a lot of exposure to Finance sector and gained a lot of technical knowledge as well.-
