- ✓ At any point in time during the test, you can navigate across all subjects and questions.

Case: 03- End of Exam

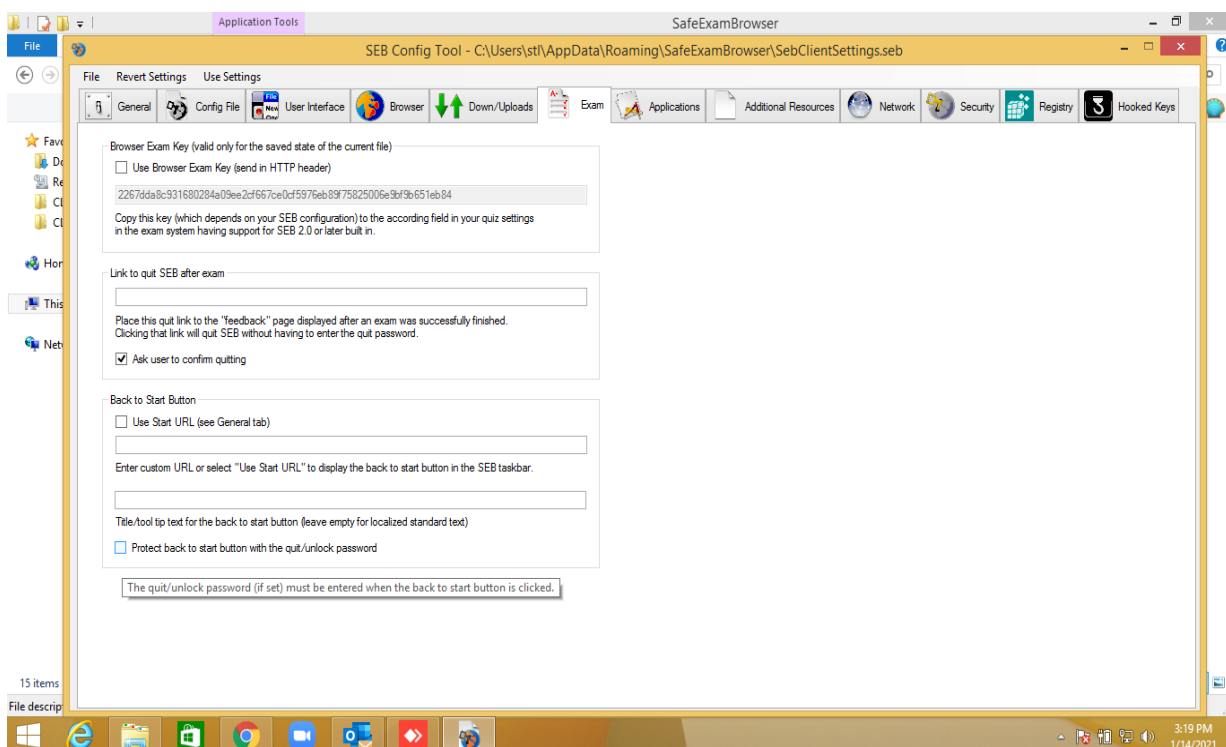

The exam will be completed

- If you are through with the exam and hit the “Final Submit” button on the down right corner of the page
- If Exam duration is over.(Auto Submitted)

Special Instruction while Installing Safe Exam Browser:

While opening SEB Configuration file, if the system asked for a password, then follows the below steps to resolve this:

- ✚ Right click on the SEB Software, Click on Open File Location.
- ✚ Find the SEB Configuration Tool, open that and go to the 6th Tab named Exam.
- ✚ Uncheck the last option written as “Protect back to start button with the quit/unlock password”
- ✚ Then click on close the window, it will ask to SAVE this. Click on SAVE.
- ✚ Now, you are all done to open the software and start exam.

*****Thank You*****
