

About this position

We are looking for a graphic designer to create engaging and effective creatives for both digital and print media.

What are you going to do?

- Create Graphic design of Mobile and Web applications that will truly delight our users
- Create interactive consumer and business applications by developing concepts, graphics and layouts for product illustrations
- Study design briefs and determine requirements
- Schedule projects and define budget constraints
- Conceptualize visuals based on requirements
- Prepare rough drafts and present ideas
- Develop illustrations, logos icons and other designs using software or by hand
- Use the appropriate colors and layouts for each graphic
- Work with copywriters and creative director to produce final design
- Test graphics across various media
- Amend designs after feedback
- Ensure final graphics and layouts are visually appealing and on-brand

You need to have:

- An outstanding portfolio, showcasing a foundation in interaction, visual design, Color theory , typography and ideation.
- Proven graphic designing experience
- A strong portfolio of illustrations or other graphics
- Familiarity with design software and technologies (such as InDesign, Illustrator, Dreamweaver, Photoshop)
- A keen eye for aesthetics and details
- Excellent communication skills
- Ability to work methodically and meet deadlines
- Degree in Design, Fine Arts or a related field is a plus
- Experience designing digital products and systems, not just websites. You have helped build products.
- Hands-on experience with design software like Sketch, Illustrator, Photoshop,Corel Draw etc.

Perks:

- Macbooks - The world's best laptops for our entire team
- Work/Life Balance
- Cutting edge technologies and world class clients to work with
- Health Insurance for all employees
- Office Parties - We celebrate everything from birthdays to work anniversaries and success stories!
- Annual Trips - Once a year, we forget everything else and explore the world around us.
- Hackathons - Annual 24 Hour Hackathons with some great ideas and prizes!
- Weekly Tech Talks - We believe that knowledge is the only thing that grows when it's shared.
- Training and coaching sessions by external experts.
- Free Courses and Books to explore and learn
- Squareboat Open Source - A chance to contribute to our useful open source libraries.
