

Mphasis Campus Placement Guidelines

Guidelines for Aptitude Test:

- All candidates will receive links to the aptitude test to their emails (ensure to check spam/junk folders). If any candidate has not received the test link, placement coordinator must inform the Mphasis Spoc in advance to the scheduled test time.
- Candidates must take the test with their laptops or PC which is camera enabled.
- The login credentials for the test will be active only for 30 minutes once the test begins.
- Candidates must type the login credentials and not copy paste.
- Candidates are expected to have uninterrupted internet connection, advised to make proper arrangements before the start of the session.
- In case if the candidates fail to appear for the test at the given time, their profile will be rejected, and no re-scheduling requests will be considered as it will delay the subsequent rounds of interviews.

Guidelines for Technical Round:

- Candidates are expected to be in business formals.
- Please join the interview with a Laptop or PC.
- Candidates are requested to join the interview 5 minutes early to the start time.
- Candidates must join the link assigned to them only.
- Candidate must keep their videos on and be on mute when they join.
- Candidates are expected to have uninterrupted internet connection, should test their audio and video and are advised to make proper arrangements before the start of the session.
- In case if the candidates fail to attend the interview at the given slot, their profile will be rejected, and no more requests will be considered.
- Platform: Google Meet.

Guidelines for HR Interview:
