

iOS Developer at Squareboat

Job Description

We are looking for iOS Developers responsible for developing clean and modern iOS Applications for our clients.

Work Details

- You will work hands-on in developing iOS applications on different iOS platforms including Swift and Flutter.
- Performing app profiling and improving app performance
- Improving code quality through code reviews
- Developing new features, maintaining code, and fixing/debugging issues
- Understanding and improving the efficiency of UI code

You need to have

- Good understanding of Swift
- Beginner to intermediate level knowledge of Flutter, Dart will be a big plus
- Should have published one or more iOS apps on the App Store.
- Familiarity with RESTful APIs to connect iOS applications to back-end services
- Understanding of Apple's design principles and interface guidelines
- Familiarity with cloud messaging API's and push notifications.
- Good understanding of code versioning tools such as Git etc.
- You like to learn about new technologies and trends in iOS
- Working knowledge of the general mobile landscape, architectures, trends, and emerging technologies
- Bachelor's degree in Computer Science or related field, or equivalent professional experience
- Experience working with agile teams and making rapid decisions in a dynamic and disruptive environment
- Strong communication skills.

Benefits

- Working with the latest web technologies in an early-stage product startup, with plenty of opportunities to learn
- You will work directly under the mentorship of other senior designers/developers and the startup's founders

Perks:

- Macbook - The world's best laptops + 22 inch LED Monitors for everyone
- Office Parties -We celebrate everything from birthdays to work anniversaries and success stories!
- Gaming Zone - Playstation, Table Tennis and plenty of more games to relax and have fun
- Annual Trips - Once a year, we forget everything and travel like there's no tomorrow.
- Hackathons - Annual 24 Hour Hackathons with some great ideas and prizes!
- Weekly Tech Talks- Knowledge is the only thing that grows when it's shared.
