WE ARE HIRING !

QualityKiosk Technologies is one of the world's largest Digital Quality Engineering partners and pioneers in performance engineering for largest Banking and Financial Services, Telecom and Automobile clients. Founded in the year 2000 by IIT-Kanpur graduates, the company offers Enterprise Digital Quality Assurance solutions for banking, financial services, insurance, retail, e-commerce, government, automotive and telecom verticals.

Intelligent Business Automation, DevOps and Customer Experience are some of the key areas where we work with our partners to deliver Digital Quality Assurance.

QualityKiosk counts more than 50 of the Fortune 100 companies of India and 18 of the Fortune 500 companies across the globe as clients. With 150+ clients from various verticals across global locations, our clients include Reliance Industries, Reliance Jio, Toyota, HDFC Bank, ICICI Bank, SBI, Kotak Bank, DBS, Citibank, Prudential, BTPN Bank, Manulife, AIA, UAE Government - Ministry of Finance, Tata Group, Government of India (GSTN, NPCI), Vodafone and others.

QualityKiosk's 2000+ Quality Assurance consultants are spread across 20+ countries including India, Dubai, Malaysia, Indonesia, Philippines, Singapore. Some of the recognitions received include a mention by Gartner in their 'Build Continuous Quality Into Your DevOps Toolchains' Report 2018, "Asia's Most Trusted Organisation" by International Brand Consultants, and "Happy Place to Work" by World HRD Congress.

Our Success Is A Reflection Of Our People

QualityKiosk is a young and enterprising company that believes in providing an empowering work environment to the talent who help us succeed. Our vibrant organization fosters excellence, molds future leaders and is driven by our core values.

Our vast network of 2000+ Quality Assurance Experts, we have grown exponentially since 2000. In the process, we've built a great team. Our Organization is staffed by individuals who respect their fellow employees and value our clients. They go 'above and beyond' to meet the changing environment surrounding Quality Assurance.

We believe in hiring only the very best talent.
