

Tetrasoft is an innovative IT Digital Enterprise Solutions Company headquartered in St. Louis, United States, and has regional global delivery centers in Hyderabad, India. Our extensive digital solutions are distributed across business domains such as P&C Insurance and Healthcare to help address today's business challenges and accelerate the digital transformation experience for our customers' end customers.

Tetrasoft is driven by 'Purpose' and not by 'Profits.' We have a balanced work culture while supporting and encouraging the 'learn & grow' concept. Employees can be assured of a very well engaged workspace.

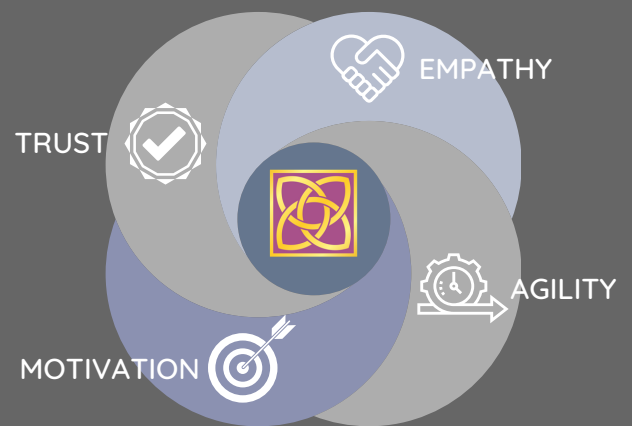

Our History

- ✓ Established in 1997 in the US
- ✓ Successfully built several IT leaders
- ✓ Deep expertise in delivering large scale run and transformation solutions
- ✓ 20+ years global business in Property&Casualty Insurance and Healthcare Insurance

Core Services
