

JOB DESCRIPTION

Position Title	Associate Analyst
Division	Common Content -Deals
Location	Hyderabad, India

ABOUT US

GlobalData is the leading Data & Analytics company, helping thousands of companies, government organisations and industry professionals profit from faster, more informed decisions. Our mission is to help our clients decode the future to become more successful and innovative. We have decades of experience in being the trusted, gold standard intelligence providers to the world's largest industries, with our unique data-driven, human-led, and technology-powered approach creating trusted, actionable, and forward-looking intelligence to predict the future and avoid blind-spots.

WHAT WE ARE LOOKING FOR

Roles and Responsibilities

- Track financial transactions, including M&A, Partnerships, and Capital Raising (through debt and equity, Private Equity and Venture Capital transactions)
- Having the ability to use online and other secondary research materials quickly and effectively, searching both systematically and intuitively to deliver optimum results, ensure all deals / transactions are updated with the latest info available
- A finance savvy, with knowledge on company financials.

Desired Candidate Profile

- Strong analytical skills and the ability to think independently.
- Ability to normalize data through secondary research. Working knowledge of MS Office (Excel / Word).
- Good communication skills

Commitment to D&I and EEO:

We believe strongly in the value of diversity and creating supportive, inclusive environments where our colleagues can succeed. As such, GlobalData is proud to be an Equal Opportunity Employer. GlobalData is determined to ensure that no applicant or employee receives less favourable treatment on the grounds of gender, age, disability, religion, belief, sexual orientation, marital status, race, or is disadvantaged by conditions or requirements which cannot be shown to be justifiable.
