3. Fill in your details and click 'Submit Details'

The screenshot displays the CoCubes assessment interface. At the top left, the CoCubes logo is shown with the tagline 'An Aon Company'. On the top right, a user is welcomed and a timer check shows '01 min 55 sec'. The main content area features a green checkmark icon and the text 'This system is good to go!'. Below this, a list of system specifications is provided, each with a green checkmark indicating it is correct: Operating System (Windows 10), Browser Version (Chrome 77.0), JavaScript (Enabled), Screen Size (1280px by 720px), Timer (OK), Http GET (OK), Http POST (OK), and Webcam (OK). To the right of this list is a 'Quick Links' section with links for Internet Explorer 10+, Firefox 27+, Google Chrome 32+, Opera 20+, and Adobe Flash Player 11+. At the bottom of the interface, there is a 'Venue Name' field with a placeholder 'Enter your current location . . .' and a 'Save Location' button.

Starting the Assessment

✓ Click on Accept to allow Webcam and Audio Access

Webcam and Audio Proctored Assessment

I hereby give my consent to the organization to capture the images and sound as part of the assessment process and use the same for necessary steps processing and analytics.

In giving this consent, I understand and declare that:

- I am giving this consent in my own free will, and not under duress or in any form of threat
- The images and sound containing the subject in this consent shall be held by the organization in accordance and compliance with the GDPR guidelines (the General Data Protection Regulation)
- My information herein, as well as the images and sound to be shared to the recipient shall not be disclosed to any other party without my consent

Frequently
Asked
Questions
and
Resolutions

General FAQ

- ❑ **I did not receive any email for test from no-reply-careers@adityabirla.com. What should I do?**

Search your inbox with keywords “Lowes” or “CoCubes” and Search.

Alternatively, check your spam/junk folder

- ❑ **The system didn't prompt for webcam allow/deny at the start of the test why?**

The system prompts for webcam allow/deny only the first time. The option selected gets stored and remains applicable for all the subsequent logins on this machine. You will have to reset the webcam settings of the browser to enable the prompt again

- ❑ **What points should I keep in mind before starting the webcam monitored test?**

The points that should be kept in mind are as below:

- a. There shouldn't be an application running in parallel that uses the webcam
- b. Start the test using the link given in the email only

- ❑ **What steps should I follow if the system doesn't detect the webcam?**

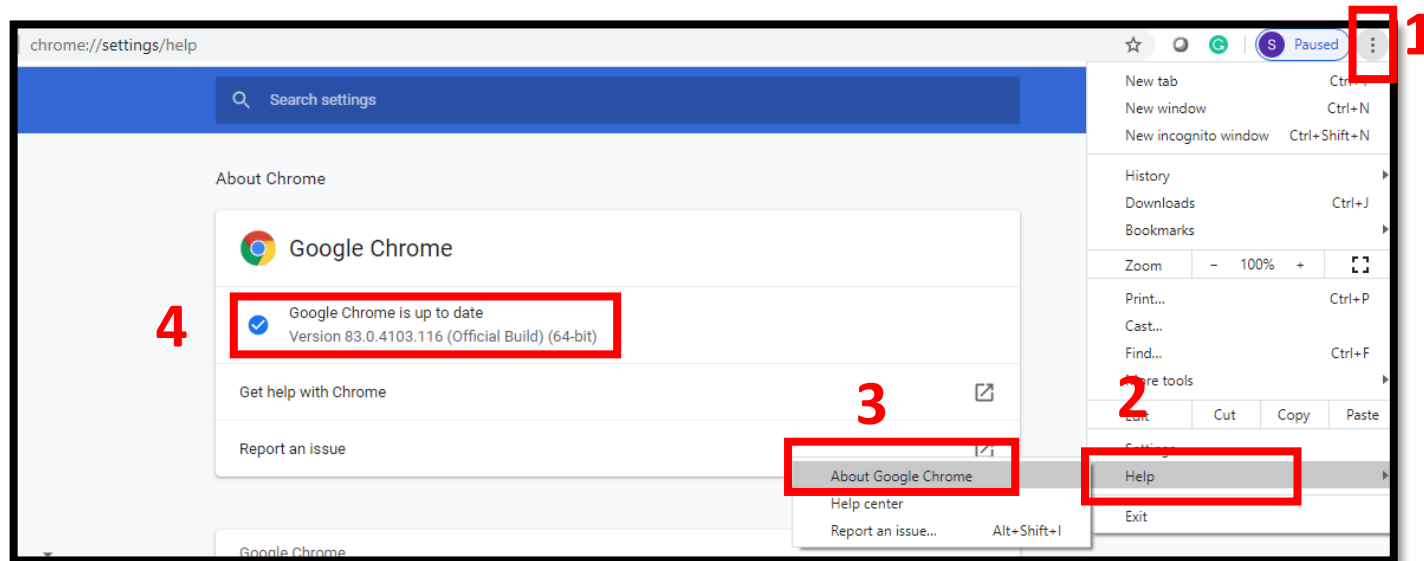

The steps that should be followed are as below:

Step 1: Change the browser and restart the test again if the problem persists follow the below steps Step 2: Reset the webcam settings of the browser

Step 3: Click on 'Start Assessment' again and choose the correct option from the list

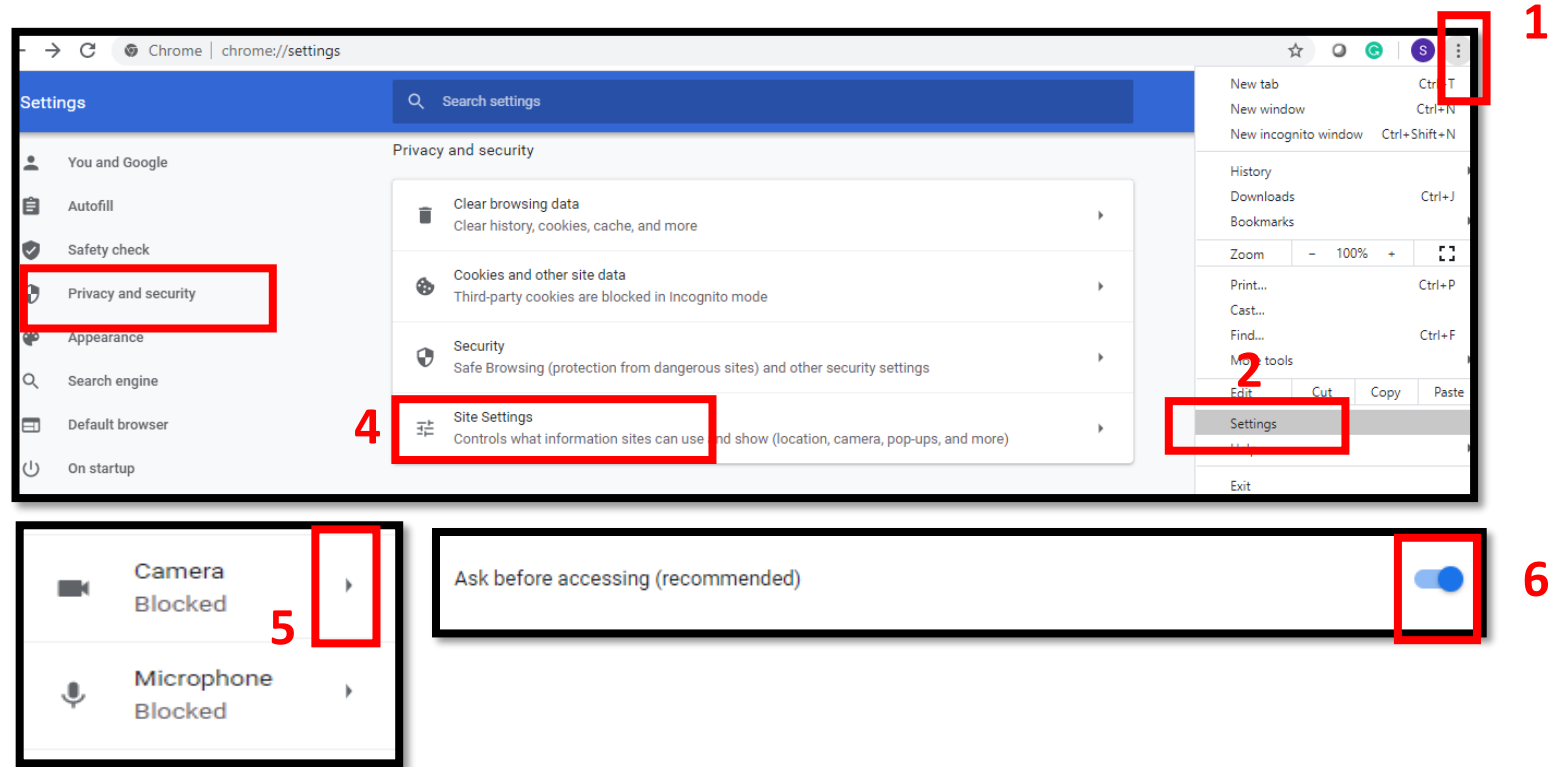

Checking Windows and Browser Version

- ✓ *How to check version of Windows?*
 - *Select the Start button : Settings → System → About*
 - *Under Window Specification, check which version of Windows your device is running*
- ✓ *How to check version of Browser?*
 - *On your computer, open Chrome*
 - *At the top right, Click More*
 - *Click Help → About Google Chrome → Click Update*
 - *Click Relaunch*
- ✓ *Important : If you can't find 'Update' button, you're on the latest version*

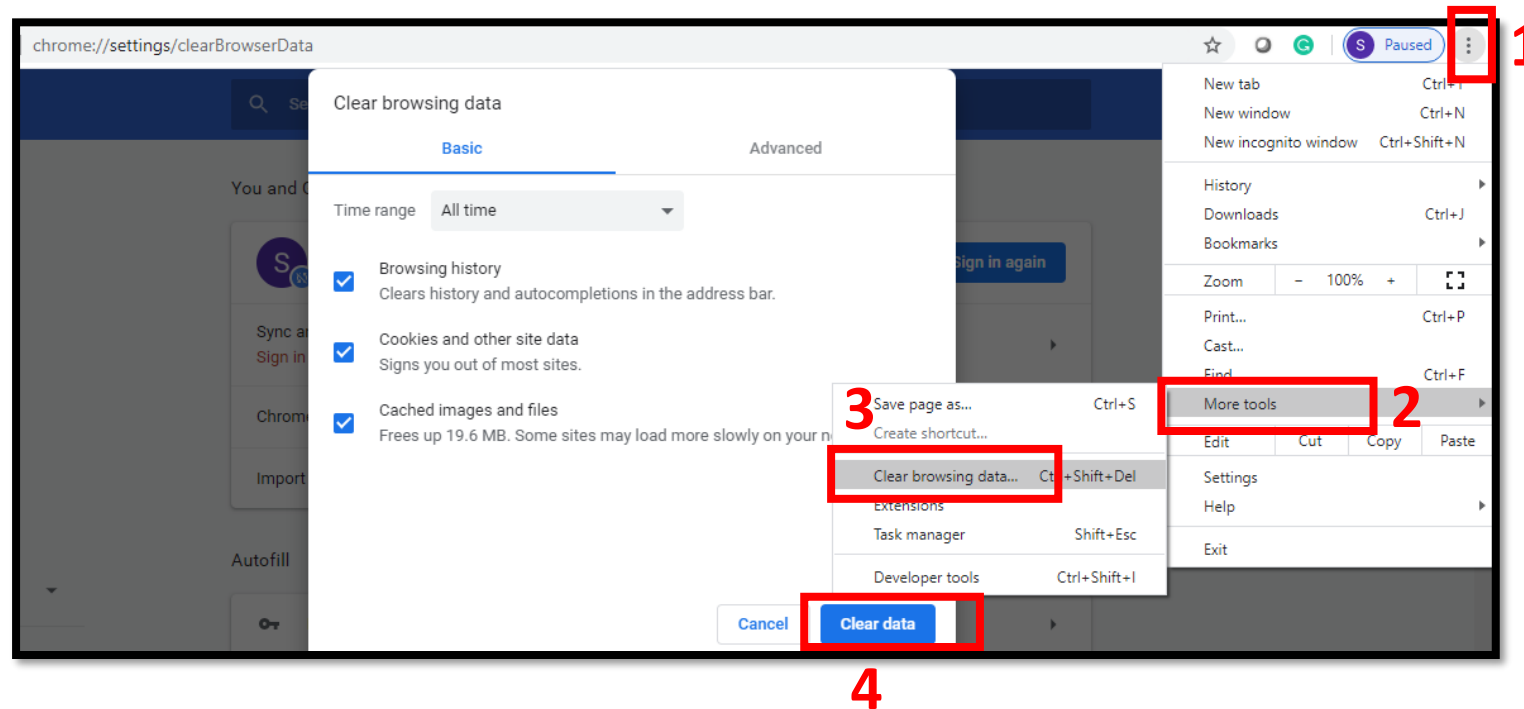

Giving Access to Webcam

- ✓ Open Chrome on your computer
- ✓ At the top right, Click More
- ✓ Click 'Setting' → Click 'Privacy and Security' → Click 'Site Setting'
- ✓ Allow Access to Webcam and Microphone

Clearing Cache from the System

- ✓ *Open Chrome on your computer*
- ✓ *At the top right, Click More*
- ✓ *Click 'More Tools' → 'Clear Browsing Data' → 'Clear Data'*

1. Open Google Chrome
2. On extreme right side of Address bar, Click on icon 
3. Click on 'Help' and then 'About Google Chrome'

Guidelines – Before the Assessment

- ✓ Candidates can write their examinations by using their Laptop / Desktop at a specified time. Webcam connectivity is a must during the examination.
- ✓ Check 'System Specification' document
- ✓ Candidates are required to ensure that Webcam is working properly
- ✓ If you have a laptop but suspect that uninterrupted internet connectivity is questionable in your area, it is recommended that you use your phone's hotspot to provide either a primary or a backup connection to your laptop.
- ✓ Google Chrome browser (latest version) must be installed in Laptop/Desktop/Phone.
- ✓ Candidates are advised to use the same Desktop/Laptop/Phone which is used for mock test for the actual exam so that any issues faced will have been experienced and resolved in the System-Check Test

Guidelines – On the day of the Assessment

- ✓ Please sit in a quiet room with no background noise or people around.
- ✓ Ensure proper lighting in the room – Source of light must not be behind you.
- ✓ Please ensure the wall behind you has a plain background with no objects hanging on it.
- ✓ Plan to start your system on the test day 15 minutes before the scheduled time. Start Assessment on time, you will not be allowed to appear after the scheduled time
- ✓ For the entire duration of the assessment, please remain seated in front of your webcam
- ✓ If you face any technical issue during the assessment, please refer to the FAQ Document. If not resolved, then contact your placement coordinator via email/call/message from another device
- ✓ candidate should not indulge in any malpractice while writing the exam. Any misconduct observed by the proctor will be recorded and filed against you, which may lead to suitable disciplinary action.
- ✓ If you are taking the test from Mobile, then turn-off your message/call/App notification - If you open your notification during the assessment, it will be counted as a **violation**. After the certain number of warning, System will **Logout your assessment**.

Guidelines – On the day of the Assessment

Do not sit in poor lighting

Do not look sideways during the assessment

Do not leave your seat during the assessment

- ✓ Any object like a Bottle, Pen, Paper, Gadgets, Calculator, Notebook, Headphones etc. should not be on your desk
- ✓ Do not unplug your camera during the assessment
- ✓ Do not press Backspace or Refresh button during the assessment
- ✓ If you caught practicing any means of malpractice, you would be logged out of the assessment by the remote proctor

All the Best !
