

About Intellect:

To live your dream, you need a working space that lets you learn and then unlearn, pushes you to unleash the less explored routes, and instills values and ethics you can carry forward in life. Intellect Design Arena is synonymous with it.

Intellect Design Arena is a global leader in Financial Technology for Banking, Insurance, and other Financial Services and addresses the needs of financial institutions in varying stages of technology adoption. Intellect's intellectual capital, robust platforms & products have ventured across horizons and have 5 different Lines of Business (Lobs) garnering leadership positions on a global front.

Global Consumer Banking (iGCB), Central Banking, Risk & Treasury Management (iRTM), Global Transaction Banking (iGTB) and Insurance (Intellect SEEC), and Wealth Management (iWLTH).

We at Intellect, also attempt to eliminate the complexities associated with banking and insurance with our key forte- design thinking. 8012 FT Design Center is the nerve centre for digital transformation, where better customer experience and operational excellence are delivered through Digital IN and Digital OUT technologies.
