Modern workplace

We benefit enormously from a rich and diverse mix of people, skills and cultures. It is the contribution, combination, and collaboration of this talent that has shaped our success so far, and will continue to do so in the future.

Headquartered in London with over 20 office locations and 3,300 employees across Europe, North America, APAC and Latin America, we have a truly global footprint.

We are proud that everything we do is created in house by our talented people. From expert researchers and analysts creating compelling content to innovative software teams building engaging platforms, dynamic sales teams creating lasting client relationships, passionate events professionals producing unique experiences, and inspiring corporate teams ensuring the business runs efficiently and effectively.

Now is an incredibly exciting time to join and be part of GlobalData, our business is fast-paced, vibrant and ambitious, with opportunities for everyone to develop and succeed.

Driven by our values – integrity, innovation, client-centric, quality and professionalism, we take pride in the contribution they have made to our success. We attract colleagues who share our passion, and continually invest in our people to bring our clients the best products and services.
