

Company Profile:

V Mart Retail Ltd is a complete family fashion store that provides its customers true value for their money.

We offer our customers a great shopping experience each time they visit V-Mart store by offering a vast range of products under one roof. Maintaining high standards in quality and design, V-Mart offers fashion garments at down-to-earth prices and over a period of time has emerged as the destination of choice for bargain hunters and the fashionable alike.

We primarily operate in tier II & tier III cities with the chain of "Value Retail" departmental stores. Our stores cater to the needs of the entire family altogether by offering apparels, general merchandise and kirana goods.

"**Price Less Fashion**" is the main motto through which we believe in providing the latest trends to the upwardly Mobile Indians at the best possible price.

V Mart currently operates 400 stores across 254 cities in northern, eastern, western and southern regions of India, with a total retail area of approx 22.00 Lacsq.ft. Our stores are located in prime states/cities such as Bihar, Chandigarh, Gujarat, Haryana, Jammu and Kashmir, Madhya Pradesh, New Delhi, Punjab, Rajasthan, Uttarakhand, Odhisha, West Bengal and Uttar Pradesh, North East, Himachal Pradesh. We are among the pioneers in setting up modern ambience stores or large retail malls across various small towns and cities like including Sultanpur, Ujjain, Motihari and more.

V-Mart Retail Ltd entered the **south India market in 2021 with the acquisition of 74 stores of 'Unlimited'** from Arvind Lifestyle Brands Ltd, a wholly owned subsidiary of Arvind Fashions Ltd. Unlimited operates these stores across south and western India. It retails fashion apparel and accessories at affordable prices.
