

Transforming

The World of Renewable Energy Data to the World of Intelligence

EXCITING JOB OPPORTUNITIES WITH MANIKARAN ANALYTICS LIMITED A LEADER IN SOLAR, WIND AND HYBRID FORECASTING SPACE IN INDIA

Manikaran Analytics Limited (MAL) was founded in 2011 is a pioneer in Wind and Solar Forecasting space in India. It began operations when the RRF mechanism for renewable scheduling was in place which was replaced by the current regulation as per the recommendation of the Forum of Regulators for Deviation Settlement Mechanism (DSM) for Wind and Solar Generating Plants. MAL offers its forecasting, scheduling services and "Qualified Coordinating Agency" (QCA) to almost all the leading Solar and Wind power producers in the country.

Manikaran Analytics Limited (MAL) is part of the **Manikaran Group** which is spearheaded by **Manikaran Power Limited (MPL)** a major energy solutions company leading in market share both in volumes and client base for Open Access Power and Gas traded in Exchanges. MPL also is a category 1 Inter state trading licensee for Electricity involved in all aspects of power including Coal tolling, Open access advisory, Carbon Credit consulting etc.

MAL as a company has presence all across India with offices in Delhi, Mumbai, Kolkata, Bengaluru and Chennai. Through our existing business we have been associated with the SLDC's / RLDC's / RPC's and share an excellent rapport with them which is beneficial for MAL to provide the services as Coordinating Agency under the RRF Mechanism.

Become a part of dedicated and talented individuals who work together to drive our company's mission forward.
